

Financial Policy and Agreement

Thank you for choosing **Canyon Dental Centre** for your dental need. We are committed to providing you with excellent care and convenient financial arrangements. We encourage you to be an active and informed participant in your own care. Accordingly, financial arrangements are the result of open and honest discussions of diagnoses and recommended treatment options. To confirm your understanding and agreement with our policies, please read the following:

Payment:

Payment in full is due at the time services are rendered, unless prior financial arrangements have been made. We accept Visa, Mastercard, and Debit. Remote payment is also available. With your consent, a secure link will be shared with you and payments will then be processed through a third party. Cash and person cheques are not accepted.

Estimates:

We will do our best to provide you with an estimate for the cost of any dental procedure. These are merely estimates because it is often impossible to know exactly how much a specific treatment will cost until after it is done. For example, a cavity may appear small on a radiograph but when the decay is removed, it is possible that the required filling is larger than originally anticipated. Similarly, it may appear that a tooth needs a root canal, but if the dentist observes a fracture during the procedure, they might need to change the treatment plan.

Insurance:

Our office is committed to helping patients get the most benefits from their dental insurance, however, insurance policies vary greatly. Therefore, due to the complexity of insurance contracts, you are fully responsible for knowing your own insurance plan and what treatment does and does not cover. Treatment is recommended based on what you need; not based on insurance coverage. As a courtesy, we will gladly send you claim electronically for you, on your behalf, to your insurance company provided that your company allows electronic submission.

All treatment your insurance covers will be reimbursed to you or the insurance subscriber unless the insurance policy request otherwise.

Dependants:

A parent, guardian, or caregiver must accompany all dependants who are unable to consent to treatment to their dental appointments. Every dependent will have a designated responsible party who is responsible for full payments of the services rendered. If the responsible party does not accompany the dependant to the appointment, treatment consents and payment arrangements must be made prior to appointment or non-emergency treatment may be denied.

Missed Appointments:

Once an appointment has been made, a room is reserved specifically for you and the dentist/dental hygienist's time is set aside. Please be considerate of other patients and our clinic and allow at least two business days to reschedule or cancel an appointment in order to avoid a service fee. Service fees may be applied to patients who miss appointments without notice as a rate of \$75.

Service Charges:

We understand that temporary financial problems may affect timely payment of your balance in some cases. In those situations, we encourage you to communicate an such problems immediately with our Office Manager at **604-985-1232**, who can be reached during regular business hours.

Financial Consent and Authorization for Treatment:

The estimate provided at time of service is not an exact calculation of your actual costs and does not reflect all of the terms, conditions, limitations, and exclusions that may apply to your insurance coverage.
